He thinks that Horn & Bone Care may plan to introduce its product in a particular market. Export marketing offers a fierce competition. Already established competitors may have brand loyalty and established channels of distribution and enjoy a good market share. In such an environment, a new producer-exporter who wants to introduce his product will make his product more attractive so that it may generate a certain amount of brand loyalty. For this purpose, the easiest way to offer the product at a very competitive price, perhaps at a price which is below its cost price. The loss in such a market may be set off against the profits in other export markets or an domestic market.FOUNDERMr. Shehzad, 32, Post graduated from the reverend MGM PG College affiliated University MJP, Rohailkhand, responsible for devising policies and strategies to meet company goals. He travels to attend meetings and conferences and visit regional, local, national, or international offices.He commenced his esteemed business in 2014 viewing the basis need of today's horn and bone requirements, He reviews daily shipment exceptions and resolve with service providers to ensure timely flow of
